

ARK HOME HEALTHCARE HOLDS RECRUITMENT DAY IN SHEFFIELD

Press release: Friday 26th May

For immediate release

National business creates 136 jobs in Sheffield.

Ark Home Healthcare, a Nationwide provider of domiciliary care services are looking for a further 136 Care Workers to join their Sheffield team.

The recruitment day will be hosted on Thursday 1st June at Arena Square Table Table, 3 Arena Ct, Sheffield S9 2LF. Visitors will be able to talk to current Ark Care Workers to find out more about a career in care from 9am-4pm.

Gillian Strayer, Branch Manager at Ark said: “We have been delivering home care nationwide for many years and we are now in a position to create a further 136 Care Worker roles. This is a fantastic opportunity for the local community to have fun and chat to us about joining a rapidly expanding organisation.”

Ark helps individuals stay living in their own homes for longer, delivering high quality home care services in an environment that’s safe, comfortable and familiar. Ark is looking for individuals with a caring nature who want to make a difference to people’s lives.

Gill continued: “If you are looking for a career in health care we want to hear from you. Find out more about working for Ark at www.arkhealthjobs.co.uk or call us on 0114 321 0733 to talk to our team.”

-Ends-

Notes to Editors

- Ark is based in Sheffield with a nationwide presence in home care delivery (17 branches across the UK)

- Ark Home Healthcare is dedicated to supporting people in the comfort of their own homes, from providing practical help and assistance such as getting washed and dressed, to live-in and complex care, offering a more specialised level of support.
- Ark Home Healthcare offers a great alternative to a care home, helping people live happily and healthily without having to leave the comfort of their own homes.
- A selection of Ark's services include: * Dementia care * Reablement * Domestic Support * Companionship * Respite * Extra Care* Day Centres and much more.
